Friends of the Library Book Adoption

July 20, 2018 10am - 2pm

Summer is an exciting time for the children in our community, and it is important to the Friends of the Library as well. A portion of the money raised from Friends' book sales and membership drives is used to purchase reading incentives and to sponsor several of the storytellers and programming featured at the library this year. More importantly, the Friends always take time to volunteer with children's and teen programs, so we look forward to seeing them at the library this summer!

Author Spotlight: Doreen Cronin

Children's Fiction

(Adapted from www.doreencronin.com)

Although Doreen Cronin was encouraged to be a writer very early on, it was some time before she decided to heed that advice.

"It was my first grade teacher, Mrs. Cooper, who first told me I was a writer," Cronin said. Mrs. Cooper gave her extra class writing assignments. However, Cronin, who grew up in Merrick, NY, wanted to become a police officer like her father, but decided she wasn't brave enough for the job.

books for children. The *Click, Clack* series includes *Click, clack, peep*, *Click, clack, splish, splash*, as well as the holiday-themed books *Click, clack, boo!*, *Click, clack, Ho! Ho! Ho!*, and *Click, clack, moo: I love you*.

In addition to the very popular *Bug Diary* series (*Diary of a worm*, *Diary of a spider*, *Diary of a fly*), Cronin has also begun a new series of chapter books, *The Chicken Squad*. The latest book in the series, *Bear country*, will be published this summer and will continue the misadventures of plucky bird detectives Dirt, Sugar, Poppy, and Sweetie.

Cronin has a presence on Facebook, Twitter, and Instagram. You can also visit YouTube to view read-alongs of Cronin's most beloved stories.

After practicing law for several years, Cronin decided to write full time, and write she did! Since publishing her first book, *Click, clack, moo* in 2000, Cronin has written over 20
